

EXTENSION OF TIME POLICY

Course credits, including transfer credits, cannot be older than six years at the time of graduation. This policy is in place because of the university's interest in a degree being current when it is awarded. Graduate students may apply for an extension of time if their coursework will exceed the six-year limit at the time of graduation.

Adopted: This the 21st day of March 2014

Effective Date: This policy becomes effective upon adoption by Board of Trustees.
