

601 S. Martin Luther King Jr. Drive
R.J. Reynolds Building, Suite 109 Winston-Salem, NC 27110

Dr. Monica D. Guillory attended the 2022 Small Business Institute (SBI) conference in Charleston, SC supported by the Winston-Salem State University Center for the Study of Economic Mobility (CSEM). The mission of the Small Business Institute® is to be the premier provider of professional development for those engaged in experiential student team consulting and related entrepreneurship education, research, and activities. SBI is the link between business, education, and community (SBI 2022).

Dr. Guillory presented a paper written by her and Dr. D. Kathy Stitts entitled *A Case Study for Community Entrepreneurship Training*. This research, supported by CSEM, examined, and assessed a newly developed entrepreneurial educational training model, the *Community Entrepreneurial Training (CET)* program to determine its impact on current and aspiring business owners in Forsyth County, North Carolina. At the concluding luncheon ceremony Dr. Guillory was awarded the Paul Dunn Memorial Scholarship Award.

The Paul Dunn Memorial Scholarship Award was established in 2018 by Dr. Chyi-Lyi Liang to acknowledge Dr. Paul Dunn and his contributions to SBI. Dr. Dunn was one of the original founding members of SBI and he taught and inspired many scholars to conduct research in entrepreneurship. Most importantly, he taught scholars how to work with entrepreneurs in the field using research-based evidence to enhance prosperity and sustainability. The award serves as an inspiration to scholars new to SBI to continue active entrepreneurial research and presentation at SBI conferences by providing funds to cover registration for the next year's conference.
