**Winston Salem State University  
Staff Senate  
Professional Development Committee**

## Purpose

The Staff Senate Professional Development (SSPD) fund is designed to provide financial assistance to eligible Permanent Staff at Winston-Salem State University who are in their pursuits of professional development activities related to current roles and responsibilities.

## Six month goals:

As a committee we would like to see the following happen:

- Revision of the WSSU Staff Senate and Profession Development application and guidelines to reflect the WSSU 2016-2021 strategic plan.
  - Over the next few weeks the committee will provide revised guidelines, and a revised application that align more with the transformative and progressive changes in climate for both the UNC System strategic plan and the current WSSU plan.

## One Year Goals:

- Transparency of the SSPD's organizational structure (professional development committee)
- Continuing to encourage and enhance current and prospective WSSU staff to be become highly trained and committed to excellence.
- Enhance visibility of the committee, provide financial assistance and encouragement for permanent staff as they continue professional development related to current roles and responsibilities at the University

## Two Year Goals:

- To provide a different prospective and outlook of the Professional Development Committee
- Begin promoting a higher altitude of career growth and development opportunities campus wide.
- Encourage visibility of staff involvement including managers and senior administration.
