

Critical Selection Factors

Interested firms can participate in the process by submitting a current SF 330 form and addressing the following in a written proposal. Please note that one hard copy and one electronic copy on a thumb drive of the proposal is requested. The length should be limited to 20 pages (single sided = 20 pages, double sided = 10 pages), exclusive of the SF 330. Firms are requested to assure receipt of proposals at address listed below by 3pm on November 18, 2025.

Our team will be submitting for WSSU's Critical Steam Repairs - Phases 1&2 project. Can you please clarify whether submissions need to be mailed in or submitted electronically (via email, etc.)? The attached solicitation does not specify.

We anticipate for bidding to occur in the first quarter of 2026.

Hello,

We reviewed the recent RFP posted for Engineering for Critical Steam Repairs - Phases 1 & 2 and have a quick question. If known, what is the anticipated schedule for bidding and construction of this project?

Thank you for your assistance.
